## DEAR COLLEAGUES!

### **WE INVITE YOU TO TAKE PART IN THE CONFERENCE!**

**Conference Objective** is to unite theoretical and practical results of research, developmental and process work to form emergence properties of goods (of different industry branches) on the stages of their life circle taking into consideration self-consistent interaction of processes while designing, manufacturing and operating as an open system, self-organization of which influences the results of satisfaction of requirements.

#### **CONFERENCE SECTIONS:**

- **Marketing**  
(requirements management).
- **Management**  
(project management; resource management; quality management; integrated logistics support; organization and economic pre-operating phase).
- **Mechatronics**  
(applied mechanics; electronics and information technologies).
- **Technology**  
(innovation and technological problems of nanophysics; technologies of obtaining, joining and processing of constructional, functional and composite materials; goods assembly; renewal of operating condition and life extension (surface engineering); recycling; materials manufacturing using recyclable materials).
- **Materials**  
(new constructional, functional and composite materials; nano-dimensional physics; physical properties of materials and coatings; goal oriented studies as to obtaining new materials; physical and chemical mechanics of materials).
- **Applied Software**  
(electronic documents management; structure and composition formation of products; configuration management; product design; engineer computations; manufacturing preparation; control program development for machine tools; modeling and analysis of goods production and mathematical methods of processes and material description).
- **Regulatory Support**  
(standardization, certification, metrological supervision, intellectual property).

The representatives of the higher educational institutions, local authorities, national and international research and design organization, business, specialists, scientists, interested parties, whose activity concerns the conference topics are invited to take part in the conference.

#### **PARTICIPATION FORMS**

- plenary session report;
- section report;
- poster presentation (possibility to use display units/demonstration articles);
- remote participation (only publication).

**Conference languages:** Ukrainian, Russian, English.

We invite manufacturing firms and organizations to present products (goods and services) or promotional materials.

**For more details visit:** <http://srpv.sumdu.edu.ua>

In the case of remote participation, the conference materials will be sent after the conference to the mailing address.

#### **ORGANIZING COMMITTEE**

Chairman **Anatoliy Chornous** – D. Sc. in Physics and Mathematics, Professor, Vice-rector for Research of SSU, Sumy, Ukraine.

Co-Chairmen **Oleksandr Gusak** – Candidate of Sciences (Engineering), Associate Professor, Dean of the Faculty of Technical Systems and Energy Efficient Technologies of SSU, Sumy, Ukraine.

**Konstantyn Diadiura** – D. Sc. (Engineering), Professor, Head of Department of Applied Material Science and Technology of Construction Materials of SSU, Sumy, Ukraine.

Secretary of Organizing Committee **Nadiya Kharchenko** – Candidate of Sciences (Engineering), Associate Professor at Department of Applied Material Science and Technology of Construction Materials of SSU, Sumy, Ukraine.

#### **PROGRAM COMMITTEE**

**B. Antoshevsky** – D. Sc. (Engineering), Professor, university «Politechnika Świętokrzyska», Kielce, Poland.

**V. Van'ko** – D. Sc. (Engineering), Professor, Lviv Polytechnic National University, Lviv, Ukraine.

**V. Gogunskyi** – D. Sc. (Engineering), Professor, Odesa National Polytechnic University, Odesa, Ukraine.

**D. Dmitriev** – D. Sc. (Engineering), Professor, Kherson National Technical University, Kherson, Ukraine.

**A. Dovbysh** – D. Sc. (Engineering), Professor, Sumy State University, Sumy, Ukraine.

**A. Dolzhanskyi** – D. Sc. (Engineering), Professor, National Metallurgical Academy of Ukraine, Dnipropetrovsk, Ukraine.

**B. Zhollybekov** – Candidate of Sciences (Engineering), Associate Professor, Senior Researcher, Karakalpak State University, Nukus, Uzbekistan.

**V. Zaloga** – D. Sc. (Engineering), Professor, Sumy State University, Sumy, Ukraine.

**A. Zenkin** – D. Sc. (Engineering), Professor, Kyiv National University of Technologies and Design, Kyiv, Ukraine.

**O. Ivchenko** – Candidate of Sciences (Engineering), Associate Professor, Sumy State University, Sumy, Ukraine.

**S. Ilyashenko** – D. Sc. (Econ.), Professor, Sumy State University, Sumy, Ukraine.

**Yu. Kabakov** – Candidate of Sciences (Engineering), Director of Personnel Certification Body of Ukrainian Association for Quality, Kyiv, Ukraine.

**V. Kashytskyi** – Candidate of Sciences (Engineering) Associate Professor, Lutsk National Technical University, Lutsk, Ukraine.

**D. Kryvoruchko** – D. Sc. (Engineering), Associate Professor, Sumy State University, Sumy, Ukraine.

**S. Nepijko** – D. Sc. in Physics and Mathematics, Professor, Johannes Gutenberg University, Mainz, Germany.

**L. Odnodvoretz** – D. Sc. in Physics and Mathematics, Associate Professor, Sumy State University, Sumy, Ukraine.

**S. Pikula** – Director of Limited Liability Company “Scientific and Production Association “PROMIT”, Kyiv, Ukraine.

**S. Plotnikov** – D. Sc. in Physics and Mathematics, Professor, East Kazakhstan State Technical University, Ust-Kamenogorsk, Kazakhstan.

**O. Pogrebnyak** – D. Sc. in Physics and Mathematics, Professor, Sumy State University, Sumy, Ukraine.

**I. Protsenko** – D. Sc. in Physics and Mathematics, Professor, Sumy State University, Sumy, Ukraine.

**Morteza Rajabzadeh** – Ph.D. (Tech.), Azad University, Kum, Iran.

**V. Tarelynyk** – D. Sc. (Engineering), Professor, Sumy National Agrarian University, Sumy, Ukraine.

**O. Telizhenko** – D. Sc. (Econ.), Professor, Sumy State University, Sumy, Ukraine.

**R. Trishch** – D. Sc. (Tech.), Professor, Ukrainian Engineering and Pedagogical Academy, Kharkiv, Ukraine.

**T. Hohlova** – D. Sc. (Engineering), Professor, Headmaster of the Institute of Integrated Education of National Metallurgical Academy of Ukraine, Dnipropetrovsk.

**Czeslaw Kundera** – D. Sc. (Engineering), Professor, university «Politechnika Świętokrzyska», Kielce, Poland.

**C. Panchal** – Ph.D. Associate Professor, University of Baroda, Vadodara, India.

**I. Chumachenko** – D. Sc. (Engineering), Professor, National University of Urban Economy, Kharkiv, Ukraine.

#### **CONFERENCE MATERIALS**

To take part in the conference it is necessary to send application form, synopsis, and receipt copy for paying registration fee to of organization committee till April 20, 2017. The electronic version of the application form, synopsis and scanned copy of the receipt are necessary to send to the address: [info@pmtkm.sumdu.edu.ua](mailto:info@pmtkm.sumdu.edu.ua) or the site: <http://srpv.sumdu.edu.ua>. The synopses will be published before the conference.
